

Dragonfly Poetess Top - The Poetess' Paintbrush Collection by Ventriloquist Court® (Designed, Handmade, & Hand-painted in Australia)

DESCRIPTION

The dragonfly poetess top is a sheer and loose-fit garment, hand-painted using professional eco-friendly textile paint (Australian-made paint). The dragonfly negative print is created from my own hand-drawn dragonfly silhouette cutout. Since the print is hand-painted, the placement of the dragonflies will be unique to each top. The paint is also heat-cured to protect the colour from washing out or fading.

The top is available in any gradient colour. For a colour gradient not listed, message me to discuss other colour possibilities prior to purchase. I will do my best to mix up your dream colour!

The top is made from sheer 100% cotton organdy handwoven by artisans in India. Crispy and stiff, this fabric will soften a little after every wash. The top features small floral bud embellishments on the shoulders hand sewn into place with ivory colour vintage plastic beads (made in Japan in the 1970s).

The top is designed to be worn with a high-waist skirt/pants, and would look lovely over a singlet top or tube top.

QUESTIONS

For any questions or problems with checking out, please don't hesitate to contact me. I'm always happy to answer questions from courteous customers.

If you'd like to be sure of the drape and feel of painted organdy cotton, please message me with your address for a free fabric sample. A small sample will be posted to you by regular mail, which usually takes 2-3 weeks to most international destinations.

CARE INSTRUCTIONS

Hand wash the top in cool soapy water using mild soap such as castile soap. Rinse the top in clean cool water.

Use a medium-hot iron with low steam. It's recommended that you either iron on the reverse side (i.e. the opposite side of the painted fabric), or iron on the painted fabric once you've first covered it with baking paper (the baking paper will make it easier for you to glide the iron around).

DETAILED INFO ABOUT MATERIALS USED TO MAKE TOP:

- * Professional non-toxic eco-friendly textile paint (vegan-friendly) made in Australia
- * Sheer cotton organdy handwoven by artisans in India (lightweight, stiff fabric which will soften a little after wash). Colour prior to painting is a soft white.
- * Vintage 1970s stock Japanese-made 'pearlescent' buttons (acrylic plastic) in an ivory colour (size: 4mm)
